

# Moko Head Stuffie Pattern

Use this as a guide for eye, ear, nose and mouth placement.

Moko Face: Trace the oval. Mark lines for ear placement on felt as shown. Remember to add a 1/4-inch seam allowance when cutting these out.

Eye Shadow

Eye

Ear

Eyeball:  
Cut 2

Nose:  
Cut 1

**Nose Tip:**  
Rather than tracing this tiny piece, cut a tiny rectangle of black felt slightly wider than the size of the nose above, and round the edges until you get an oval.
